

Job Description: Seasonal Lawn Irrigation Assistant

Summary: We are seeking motivated individuals for a season irrigation assistant position. Assistants will help install new irrigation systems, add on to existing systems, and help with troubleshooting on service calls. Must also present themselves professionally, fill out timesheets in a timely manner, show up on time, be willing to work in all weather conditions, and in general come to work with a positive attitude. Overtime paid after 40 hours, no weekends, and on average 50 hours per week. Our season runs from April to November, but we can be flexible with your school start and end time. This is a great opportunity to stock pile some money before going back to school in the fall, while learning a variety of useful skills.

Qualifications:

- Must be at least 16 years old
- Valid Driver's License
- Pass Physical/Drug Test
- Clean Driving Record
- Effective Communication Skills
- Willingness to learn
- Ability to work outdoors in all weather conditions
- No experience necessary
- Self-motivated, Independent, hard working

Responsibilities:

- Follow instructions from crew leader, installing irrigation systems as directed
- Seasonal helpers will typically be installing sprinkler heads, digging up locates, rolling pipe, or any other tasks the crew lead feels confident you can do
- Digging up holes for sprinklers, tees or connections, valve boxes, etc.
- Bury holes and cleanup after irrigation has been installed
- Leaving the customer's yard looking as nice as possible after installing
- Restocking truck/trailer in the mornings
- After learning the basics of how irrigation systems are installed, there is room to grow into bigger responsibilities, which may come with increased pay.

Benefits:

- Flexible Scheduling
- Potential Pay Increase for returning seasonal workers
- Weekends Off
- Overtime paid after 40 hours
- Pay: Starting at \$17 per hour
- Ability to learn about electrical/wiring troubleshooting, plumb-outs and house plumbing, wells, pumps, fluid dynamics, customer service, work ethic, troubleshooting, problem solving, etc.

This is a great opportunity to get your foot in the door with Traut Companies, learn valuable skills that can translate to many trade jobs, bank up money for the school year so you can focus on school, or even a Full-Time position within Traut. We look forward to working with you!
