### Daryl Karasch

#### Sonic Drill Manager

320-249-6317

daryl@trautcompanies.com

**Traut Companies has  
experienced drill teams.  
We've been Sonic  
Drilling since 1998!**

### Safety always comes first at Traut Companies.

We provide over 500 hours of training and certifications annually with our safety committee and leadership team.

We also have a full-time safety coordinator on staff. Brad Kirckof is a retired firefighter and safety trainer with extensive experience. He can be reached at 320-251-5090 or [bradk@trautcompanies.com](mailto:bradk@trautcompanies.com)
